

GREETINGS FROM THE MAYOR

On behalf of the City and County of San Francisco, it is my pleasure to welcome you to Charity for A Sustainable World, Inc.'s 6th Edition of the International Scientific and Business Congress For a Sustainable World and Digital Exhibition being held on December 9, 2015 at San Francisco City Hall.

As mayor of a world-class international City that leads the way in job creation, innovation, education, healthcare and environmental sustainability, I commend Charity for A Sustainable World and everyone who worked tirelessly on projects that have made great strides in the way we think about efficiency, innovation and sustainability while developing new economic and social opportunities worldwide.

Your many efforts on a variety of topics, including zero-carbon buildings, healthcare, nutrition, waste management, low-emission vehicles, forestry, renewable energy, education and environmental understanding are a significant contribution to our communities and will benefit many for generations to come. Thank you to those whose leadership helped to make this landmark event a true success. Best of luck to you all in your future endeavors.

With warmest regards,
